LEGENDARY LADIES

WOMEN OF THE WEST WEEKEND

How the West was won—by women! On the frontier, it's survival of the fittest, the grittiest, the most tenacious, and these ladies are cowboy-tough! They didn't just survive; they fought against the odds to build the West with as much brawn and bravery as their cowboy counterparts—all the while maintaining their feminine charms. Talk about a balancing act! Strong characters played by strong women who blazed their own trails in Hollywood—superstars like Maureen O'Hara, Barbara Stanwyck, Joan Crawford, Anjelica Huston, and Reba McEntire, among others. The big weekend event starts with the INSP premiere of the TV mini-series, *Buffalo Girls: Part 1* on Sat, Mar 9 at 2PM ET, and includes *The Redhead from Wyoming*, *Johnny Guitar*, and more.
